The Board of Directors of OLLA want to keep you up to date on what is happening around Otter Lake as well as what is happening in neighbouring lakes and communities. Even though many of you are in the process of closing your cottages for the season, there are still some interesting events taking place. One such event is a Webinar on Water Safety being hosted by the Mississippi Lakes Association (MLA). MLA has extended the invitation to OLLA so if you are interested, sign up soon as attendance is limited to 100 computers. Their Webinar notice follows:

WATER SAFETY - let's talk about that!

Based on your feedback from our survey and messages we have received, along with similar concerns from neighboring lake associations, the Mississippi Lakes Association (MLA) will be hosting a Zoom webinar about Water Safety on **Saturday, November 14, 2020 from 10 to 11:30 a.m.**

Agenda:

- Muskoka Lakes' Safe Quiet Lakes/Decibel Coalition discusses how they have approached this issue.
- OPP highlighting the 2020 boating season and the challenges of COVID 19
 - key marine safety concerns and trends.
 - life preservers use including their zero tolerance for failing to comply, and
 - highlights of what they have generally seen while on the water (equipment, operator experience etc.).
- Open forum discussion for possible next steps for lake residents and associations to address water and boating safety.

Register before **November 9, 2020** by emailing boat_safety@mlakes.org for your invitation to join this zoom meeting.

Registration will be limited to 100 participants. Keep informed
